NARRATIVE Unit 1 was traveling southbound on US 52 near Moscow Cemetery Road. Unit 1 went off the roadway on the vehicles left side riding a ditch line then striking a driveway culvert for 1786 US 52. The vehicle went airborne and landed on the driveway leaving marks. The vehicle continued south off the driveway continuing to ride the ditch. Unit 1 then stuck the guard rail end wrapping it inward, struck two traffic signs and continued south. The vehicle began to slide to the right from the drivers perspective before going over a concrete culvert for a large stream. The rear of the vehicle fell down into the stream with the front of the vehicle still being on top of the concrete culvert. The driver did not report any injuries and was apparently normal. She did not recall what happened prior to the air bags activating when hitting the first culvert then could no longer see due to the air bag activation.
