Effective December 19, 2017, by Order of the Ohio Attorney General (Opinion 2017-045), the Clermont County Sheriff shall not issue a concealed handgun license pursuant to RC 2923.125 to a person who is not eligible under Federal law to receive or possess a firearm. All applicable Ohio laws, as stated on the Application Form, remain in full force and effect. With regard to the State of Ohio Application for License to Carry a Concealed Handgun, it is the intention of the Ohio Legislature that this law (RC 2923.125) is compliant with the National Instant Criminal Background check system. This system of checks contains disqualifiers not specifically enumerated in Section III and/or IV of the application. If a disqualifier is found, your application will be denied.

NOTE: Before submitting your application and NON-refundable fee you should ensure you are legally qualified to receive a concealed carry license. We cannot provide legal advice or assessment of individual applications.
